SCHOOL EXPANSION CAMPAIGN

THE URGENCY OF THE NOW

WHY IS THIS EXPANSION SO IMPORTANT?

1

EDUCATIONAL CHOICE

ACS remains steadfast in Biblical truth. More families are seeking out ACS for their educational choice, contributing to larger enrollment.

2

MEET ENROLLMENT NEEDS

Our school is built for two classes per grade. We now have three sections from 2nd grade on down, **with no rooms available beyond the 2023-2024 school year to continue this trend.**

3

AREA GROWTH

Ottawa County is the fastest growing county in the state. Allendale Township is top 5 for growth.

4

MORE PRESCHOOL OFFERINGS

Our preschool offerings are severely limited due to room availability. We have families asking for different offerings, but we are unable to fill the need due to space constraints.

5

CHILD CARE NEEDS

Our child care needs are growing; and, with only one room during the day, this limits our care options. There is already a wait list for current families.

THIS EXPANSION IS
NEEDED SO WE CAN
SAY “YES” TO NOT
ONLY NEW FAMILIES,
BUT ALSO THOSE
CURRENTLY ENROLLED

HOW WILL THE EXPANSION BENEFIT ACS?

1 12 NEW CLASSROOMS

This will provide the necessary space needed to meet the three class per grade trend needed not only for families yet to seek Christ-centered education at ACS, but also those currently enrolled. This will include: nine classrooms, two educational support services room, flex spaces, and a new library.

3 NEW EARLY CHILDHOOD PROGRAMS

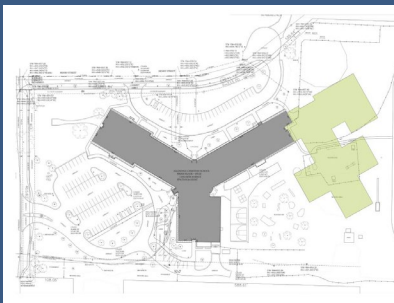

Childcare and preschool offerings will be more broadly available with additional space provided. This will give our families more flexibility with additional offerings, helping us to partner with the home more in the process.

2 TRAFFIC IMPROVEMENT

A parking lot provides much needed drop off and pick up areas for students as our student and family population grows. Traffic management options.

4 ENRICHMENT PROGRAMS

Space for growing programs such as robotics, middle school play, and other clubs to practice on campus uninterrupted due to space availability.
