If ACS is closed, the menu that was supposed to be served on the snow day will be moved to the next school day. An example: if school is cancelled on Tuesday due to weather, Tuesday's menu will be served on Wednesday and the menu that was scheduled for Wednesday will be completely cancelled. The only exception to this policy is if school cancellation is on Friday. In this case, Friday's menu will be completely cancelled and we will continue with the regular menu on Monday.
